

YOUR SUPPLIER CHECKLIST	Wetheralds	Other
Do you have references and show homes from happy customers?	✓	
Will my replacement conservatory roof be checked by a structural engineer for suitability before installation?	✓	
Is a Building Regulations Compliance Certificate supplied?	✓	
Will the materials used address the problems I have; like conservatory too hot or cold?	✓	
Can I be reassured that you will deliver the quality of finish I would like?	✓	
Is my investment protected by a recognised association e.g. Consumer Protection Association?	✓	
Does your team have over 10 years' experience in replacing lightweight conservatory roofs?	✓	
Will I have a point of contact before, during and after the build of my conservatory roof?	✓
